WELCOME TO WO CONNECT

WO Connect is one of the biggest networking events in Liverpool, designed to bring together like-minded women who want to make those crucial business connections. In 2020, we introduced our Corporate membership tier, which we hope will encourage a larger pool of women to share and support each other in the business sphere.

Our Corporate membership is designed for established companies who want to invest in growing their female leadership pipeline, and make connections with newer, local businesses.

By supporting WO Connect, your membership highlights your support of enterprising women, allows you to create links with emerging businesses, and contributes to your corporate social responsibility.

Benefits:

- > 5 discounted members tickets for you and your team
- > A CSR package, including social media graphics and 'badge of honour' email footers showing your support of enterprising women
- > A regular newsletter, with the opportunity to make contributions
- > Sponsorship opportunity alerts

Your joining donation will be gratefully received, and will help towards the cost of running WO Connect and enable us to continue to deliver our support for women in business.
