

## What are COVID-19 reports telling us about the Care Sector?

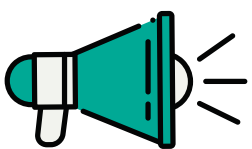

Research reports are telling us vital information on how COVID-19 is impacting our communities and the economy, and offer up expert-based recommendations on what needs to change to truly build back better - now is the time to listen.

Here's what the experts say is needed for the care sector...

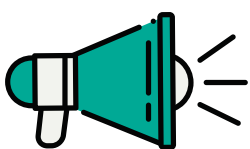

**ASK: Develop & implement a transformational approach to the design and delivery of investment in the sector**

Reposition sector as a high value economic and social contributor

**ASK: Set and achieve progressive targets for diversity, inclusivity, and intersectionality**

**ASK: Parity of esteem with NHS staffing and pay structures**

Recognise the impact and contribution provided by paid and unpaid care
