

What are COVID-19 reports telling us about data reporting?

Research reports are telling us vital information on how COVID-19 is impacting our communities and the economy, and offer up expert-based recommendations on what needs to change to truly build back better - now is the time to listen.

Here's what the experts are calling for around data reporting...

ASK: Report sex-disaggregated data

Particularly on:

- COVID funding schemes
- Business support schemes

Why is this important?

1

To give a clear understanding of how funding is being spent

2

To offer evidence of size of support for female-led businesses

Who is asking?
