

What are COVID-19 reports telling us about funding?

Research reports are telling us vital information on how COVID-19 is impacting our communities and the economy, and offer up expert-based recommendations on what needs to change to truly build back better - now is the time to listen.

Here's what the experts are calling for around funding...

ASK: Extend COVID SEISS funding to Company Directors

Address the lack of support for the nearly 3 million people of small business community who have so far fallen through the cracks

ASK: Actively promote funding schemes towards female entrepreneurs

Harness the £250 billion of new value added to the UK economy by supporting women to start and scale businesses at the same rate as men

Who is asking?
